R.C No. 935/Audit/29

Station Madras., *Dated the* 23rd May 192 9.

From (Name) F.A. Hamilton, Esquire,

(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Judicial Department.

Sir, through the Accountant-General, Madras.

In connection with Crime Number 3/27. Section 302, Indian Penal Code of Sullya station, South Kanara district, constables Numbers 193 and 716 of that station were removed to Kasargad station in March 1927, as their removal from Sullya until the disposal of the case was considered desirable. Constables Numbers 665 and 583 of Kasargad station were sent to Sullya from Kasargad to do duty there. The case was disposed of in the Sessions only in November 1927. The two constables of Sullya station however had to be kept at Kasargod until the termination of the departmental enquiry against the conduct of a Sub-Inspector in connection with the case.

case. The enquiry was completed by the District Superintendent of Police, South Kanara, and a report sent to the Deputy Inspector-General of Police, Southern Range, on 10th March 1928. The Deputy Inspector-General's orders reinstating the Sub-Inspector were received by the District Superintendent of Police on 4th April 1928 and thereafter the reports of the Inspector of Police, Kasargad Circle recommending the retention of constables 716 and 193 of Sullya station at Kasargad and of constables 583 and 665 at Sullya were received by him in April and May 1928 respectively. The District Superintendent of Police then issued formal transfer orders of the constables as proposed by the Inspector.

2. The transfer travelling allowance claimed by the District Superintendent of Police for constables 665, 583 and 193 and their families has been held under objection by the Accountant-General on the following grounds.-

"As under the orders of transfer, he has handed over charge of the old post at a place other than the old head-quarters, no transfer travelling allowance is admissible as Madras Travelling Allowance Rule 70 applies (1) only to superior service. (2) Also since the journey of the family is in each case more than six months from 10th March 1927 the date of his transfer no travelling allowance is admissible to them also". I explained the circumstances to the Accountant-General and requested him to pass the bills in view of the fact that Government have sanctioned in G.O. No. 473, Mis. Judicial, dated 27th September 1928 travelling allowance to a constable of the C.I.D. and his family in an analogous case. The Accountant-General however has stated in his reply No. Pol. P.A. 9, dated 25th April 1929 that the specific sanction of Government may be obtained to the constables in question being allowed travelling allowance as on transfer.

3. As the permanent transfers of the constables were ordered in May 1928 in the interests of the public service and as they could

could not bring their families until they were permanently transferred I have the honour to request Government to sanction transfer travelling allowance to constables 665, 583 and 193 and their families as a special case. Transfer travelling allowance due to constable 716 was already drawn in the travelling allowance bill dated 21st August 1928 for Rs.14-4-0.

I have the honour to be,

Sir,

Your most obedient servant,

for Inspr.-Genl. of Police.
